After the introduction of a the new service 5 between Saltash and the City Centre via Devonport, service 10 will be withdrawn due to low passenger numbers.
- 11** **Plymouth - Liskeard**
Reduced back to an hourly frequency from every 30 minutes. Although we have seen good growth since increasing the frequency to every 30 minutes, there was not enough growth to make it sustainable.
- 12** **Plymouth - Callington - Launceston**
Reduced back to an hourly frequency from every 30 minutes. Although we have seen good growth since increasing the frequency to every 30 minutes, there was not enough growth to make it sustainable. Service 12 will run between Plymouth & Launceston via Stoke Climsland.
