

# Passenger Consultation - Service 84

Norfolk County Council would like your views on a proposed new timetable for the service 84

## Changes to note:

Alburgh and Denton passengers to Harleston: Due to low use the service to Harleston would be replaced by a pre bookable service operated by Bordahoppa, passengers pay £3.50 for a door to door journey to Harleston.

The service will operate via Poringland and Arminghall on some journeys

Students who attend Framingham Earl from Hempnall, Saxlingham and Shotesham would be able to use the bus

The service has been re-focused away from Harleston as the 38A service also serves there.

The likely change date for the service would be the end of August 2019
