Welcome aboard route 337 service

From 14th September 2020, the service 337 will be revised to serve Stoke Poges between Wexham Park Hospital and Fulmer. There will also be a revised route in Amersham with the Railway Station no longer served. Other services exist between Old Amersham and Amersham station.

The service will continue operating approximately every two hours between Amersham and Slough via The Chalfonts and Gerrards Cross. The service will also link Fulmer, Stoke Poges and Wexham Park Hospital with Slough in part replacing links previously provided by the Chiltern Hundreds 104 service.
