## Re-introduction of the city6 service

Following changes that were implemented during the COVID-19 pandemic, which resulted in the city35 service being extended to serve the entire route from Abingdon to Wolvercote, we have made the decision to once again "split" these two routes in order to help improve their reliability.

The city6 service now serves Oxford City Centre to Wolvercote and the city35 service operates from Abingdon to Oxford City Centre.

We appreciate that it has been a challenging time, and thank you for your patience.
